MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Bureau of Budget Strategic Intelligence
Cost Estimates

RECOMMEND:

1. Discussion in IAC to the effect that you have received this Report and ask if any objection to its dissemination (less CIA figures) within the Community. (CIA figures should not be circulated as there is no need-to-know. However, the ground rules for derivation of CIA figures is entirely proper for discussion in IAC or working groups.)

2. In view of continuing pressure upon Community for realistic figures, and upon you for leadership, it behooves the Community to develop standard criteria for presentation of each Agency's figures. A Working Group, with representative of CIA Comptroller as Chairman, should be appointed to develop these standard criteria.

3. The figures pertaining to CIA are essentially correct, but other Agencies should check theirs, and if they have been incorrectly presented in this Report, the Bureau of Budget should be advised.
